

Electronic National Vendor Declarations (eNVD) For the red meat industry Industry Open Day

Thursday 20th November, 2014
DEPI Attwood Offices
(475 Mickleham Road)

An invitation to all participants within the red meat market chain to attend an open day to showcase a range of eNVD solutions as trialled by recent LSAV and MLA projects. The introduction of an electronic NVD system will provide a major change to doing business when selling livestock.

Program:

10.00 – 12 noon

Meet and greet with system providers

12 – 1.00pm

Panel discussion on implementation options

A display of sheep RFID systems will also be available on the day

RSVP by November 17
